On the celebrated Stearns & Foster Mattress and are offering this most Comfortable, Durable and Sanitary of all Mattresses, in selected patterns of the best qualities of Satinfinish, Dust-proof Tickings-WITHOUT EXTRA CHARGE.

Beware of so-called "Special Sales" on "Cotton-felt" or "Felt" Mattresses—said to be the "genuine kind" and offered at such ridiculously low prices as are sometimes seen displayed. You do not know WHAT sort of material has been hastily STUFFED into the ticking. From a Sanitary standpoint, it may be vile; unfit for any person to sleep upon. As for genuine Comfort and Durability, such Mattresses are utterly worthless. It don't pay to buy them.

Stearns & Foster Mattresses have a laced opening (Pat. applied for) through which you can see and examine the inside of the Mattress you GET. That's the safe way to buy a Mattress. You know what you are getting.

Stearns & Foster Mattresses are made of Clean, Sanitary Cotton; felted into hundreds of little webs forming many Springy, Buoyant layers standing nearly three feet high. These layers are then LAID BY HAND and compressed to ONE-SIXTH their original height and encased in the ticking; then tufted to just the proper tension so as to be Soft, yet Firm, half yielding to your figure, but supporting it in perfect relaxation.

## "I never Knew a Mattress could be so Comfortable."

That's just what satisfied users of Stearns & Foster Mattresses are saying. You owe it to yourself to get one and enjoy rest that is Refreshing-Comfortable-

Mayor Woodward has declared that he doesn't believe it one of the functions of municipal government to tell women how to dress and that as long as there is no absolute indecency, he proposes to leave it to the women themselves as to how their skirts shall be slashed and how thin the material shall be. Bear With Them! Bear with the candidates, dear people You have stood them for the past 18 or 24 months and certainly you can put up with them three or four more days, We ing had them with us so long, and regre that the time is drawing nigh when some of them will return to their work, sadder but wiser and poorer men. It is for these that we already feel sorry. They have set their hopes so high and built air castles to such heights that their fall may, we fear, be their undoing. The Proper Action. The good people of McCreary precinct have taken proper action, in their warning to those who would use unfair tactics in this campaign. They have formed a vigilance committee and decreed to enforce the law and prosecute to the imit any candidate or voter who willfully or otherwise violates the election laws—by buying or selling votes. The reason the campaign has been such a harmonious one is that the candidates are all high-class gentlemen, who do not stoop to dirt-throwing, but who attend to their own races and let the other fellows take care of theirs. "No inteed," was his response, "I have been outing the Demooratic ticket for over years and I propose to continue to do ong as I am permitted to remain here. Too old to change now, and I don't want to any way. The Democratic party is good enough for me," he continued. A Fair Proposition From Mr. Collins.

I am making the race for the nom-nation for County Attorney not for my personal glory or honor nor for my personal benefit or gain, but solely in the interest of the Farmers of Madison county. If I did not know that I could be of great benefit to the farmers of this county I would not want the office of County Attorney. If I am elected I will, with the assistance of your Fiscal Court, put in this county an expert farmer, a man who can examine your soil and tell what crops it will produce best, how to cultivate your land and what kind of fertizer to use on it. I believe that if the farmers knew just now to cultivate their land, this drouth would not have any effect on your corn crop. If that is true, and I can conince any reasonable man that it is, an expert farmer would be worth \$100,000 per year to this county in the crops alone. I believe that I can help to put farming on a scientific basis. You farmers pay the tax and are entitled to the best,, why not have it? If you will give me your support and you feel at any time that I have not been worth more to you than any County Attorney you was had tell me so and I will very cheerfully return my salary to the county. I make this statement

Will you farmers help to do it, if come out on the right side August 2.
